

Welcome to the Competitive Programming Club!

Join our groupme! Create an account if you don't have one, then scan above or go to **<https://tinyurl.com/yydkcghy>**

Register for an account at codinggame.com, we will use it during the meeting.

Association of Computing Machinery at Ohio State Autumn 2020

Informational meeting

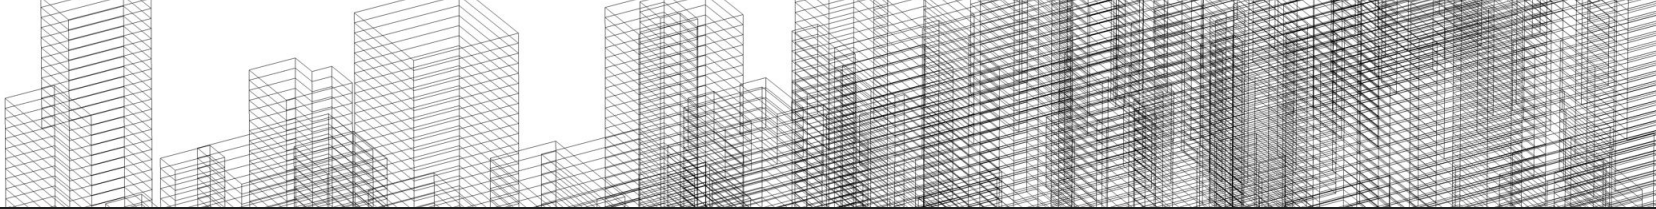

Leadership

President : Alex Li

Vice President : Chris Kimmel

Treasurer: Yifan Zhu

Advisor: Yusu Wang

Weekly meetings

- AI programming
- Programming Lectures
- ICPC style programming
- Job interview prep
- [Schedule](#)

Competitions

ACM-ICPC qualifier, regionals

Codinggames fall challenge

Corona strategy

Virtual meetings

Opt in: meet up in groups of 3. (Not on lecture days) In person/Online

Links

[Meeting Slides and code solutions for weekly challenges](#)

[The most helpful algorithms book](#)

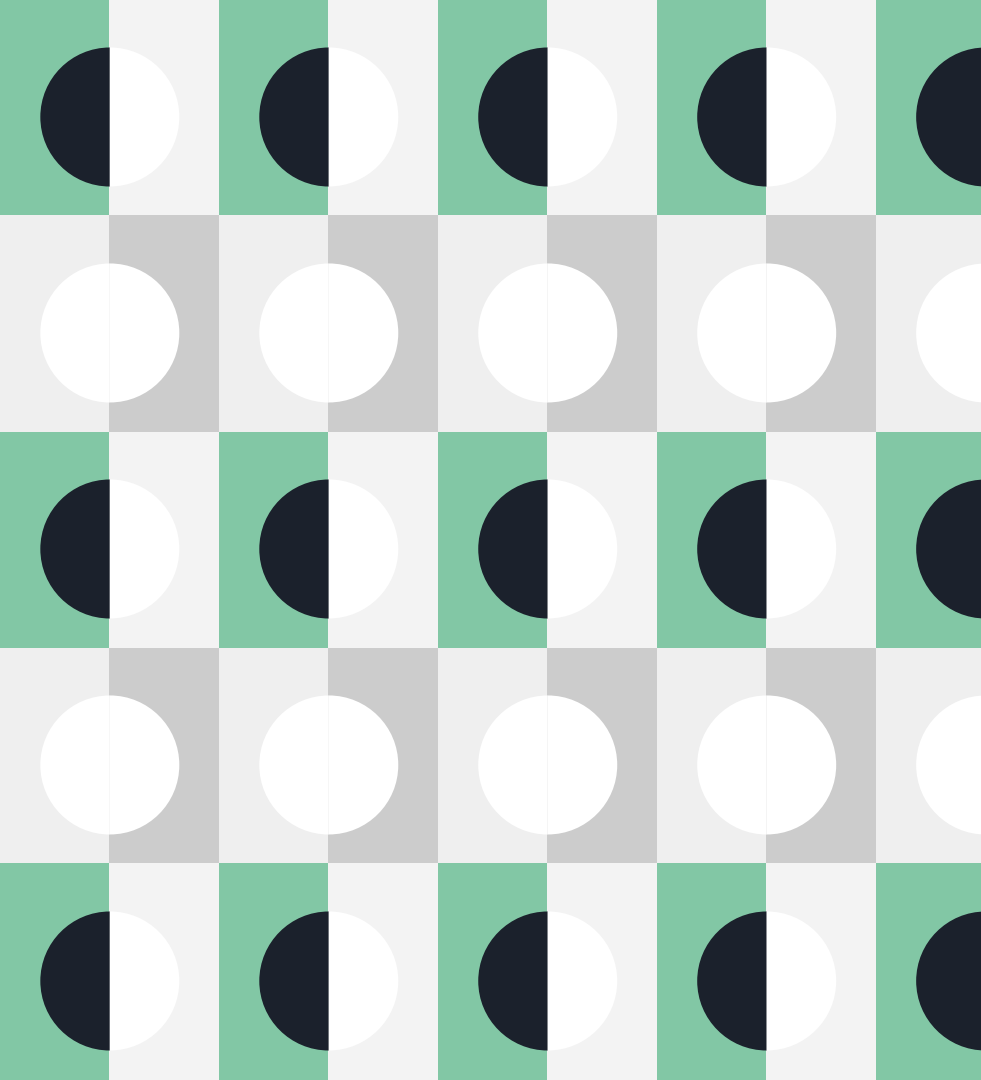

[Discord for competitive programmers around the world](#)

[Kattis](#): Official site for the ACM-ICPC contest

[Codeforces](#): Better site than kattis. Has occasional contests.

[Project Euler](#): More mathy problems with only visible 1 test case

[HackerRank](#): More job-oriented programming site

Questions

Quick problems!

Register for an account at
<https://www.codinggame.com>

Join groupme for the problem link:

[**https://tinyurl.com/yydkcghy**](https://tinyurl.com/yydkcghy)

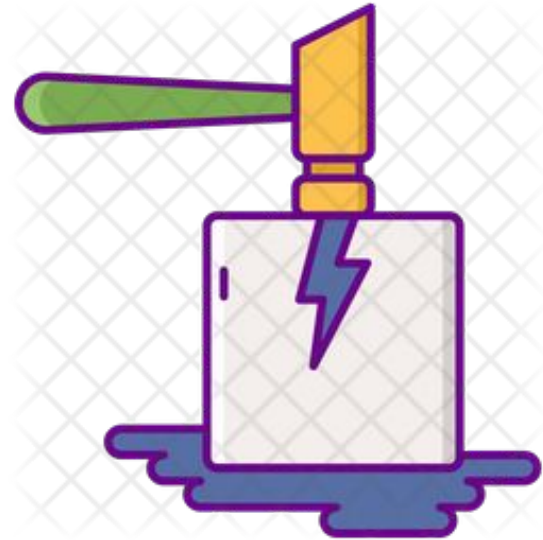

Ice Breaker / Coding problem

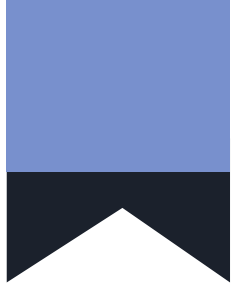

Talk in groups of 4 or so

Make friends, get some names

Questions if you can't think of anything

- What's your favorite programming language?
- What cool things have you made/do you hope to make?

Weekly Challenge #1
